

Kentucky Health Quality COLLABORATIVE CONFERENCE

August 24, 2011
Capital Plaza ♦ Frankfort, KY

Bringing Kentuckians who get care, give care, purchase care, and and pay for care to work together toward common, fundamental objectives to improve the health of all Kentuckians. Join us as we learn about current quality improvement efforts in Kentucky, address changes occurring through health reform and national efforts to improve the quality of health care, and help shape a collaborative quality roadmap for Kentucky that supports building a healthier Kentucky.
